

Dear Parents and Carers,

I hope that you had a lovely September weekend. Thank you to all our families that attended our Meet the Teacher Night last week. It was lovely to welcome our families. It was also fantastic to see our children confidently showing their families around our school. In each class there was a curriculum newsletter and information regarding God's Loving Plan. These will also be available on the website shortly.

You will have received notification of the 1-1 Parent appointment evening on 12th of October. Appointments should be booked using the online booking system but the event will take place in person in the school hall. If you are having any issues booking your appointment, please contact the school office. Each child is allocated 10 minutes and I would respectfully ask that you keep to these timings as this helps the evening run smoothly. Children are more than welcome to attend with you and be part of the conversation, however all children must be supervised at all times. There is no access to the rest of the building during this event as this is being used by the out of school care provider.

Next week our Annual Book Fair arrives in school, all children will have an opportunity to visit with their class teacher and then if they so wish they can return later in the week to purchase any items.

On Friday 6th of October our P6 children will be leading First Friday Mass in St Josephs' at 9.30am. P6 Families and any other families are more than welcome to join them in this Mass.

Our first Head Teacher drop in will take place on Thursday 6th of October from 3.15pm to 3.45pm in the main hall. This is an informal event providing parents with an opportunity to pop in and speak with me on an individual basis, if they so wish. Doors to the main hall will be open for parents to enter.

We had a great response to our Ragbag collection and by doing our bit for the planet we also raised £30 for our school funds. This helps us to buy materials and treats for the children throughout the session so we really appreciate your support.

Finally, a special well done to our ski team who participated in the SSSA Dual Slalom event last week. We are very proud of all their achievements. A special thank you to Mrs Steel and all the other parent helpers who supported this event. We really appreciate all your support.

I hope you have a lovely weekend

Charlotte Grogan
