

Dear Parents/ Carers,

First of all, thank you to all our parent volunteers who came in and presented to our classes as part of Maths Week Scotland. The children really enjoyed hearing about how maths skills have an important role to play in the world of work. I am sure you have inspired our young people to keep learning maths.

As part of their faith journey and in particular their preparation for the Sacrament of First Communion, P4 learners were invited to Turnbull High School today. Turnbull High School were engaging in the whole school Mission of the Holy Eucharist throughout this week and P4 learners were invited to visit the exhibition on Eucharistic Miracles which was created by Blessed Carlo Acutis and take part in prayer and adoration. We thank the staff at Turnbull for their continued support and partnership in our community of Faith and Learning.

Just a reminder about our 1-1 Parents appointments next Thursday. The appointments will be held in the main hall and the main doors will remain open for people to enter and exit. As previously communicated, each child is allocated 10 minutes and I would respectfully ask that you keep to these timings as this helps the evening run smoothly. Children are more than welcome to attend with you and be part of the conversation, however children must be supervised at all times. There is no access to the rest of the building during this event as this is being used by the out of school care provider, however there will be an opportunity to view the lost property and claim any items.

Friday 13th of October is an In-service day and therefore children should not attend school. This is also the start of the October school break and the school will reopen on Monday 23rd of October at 9am.

I look forward to seeing you next week and hope you have an enjoyable October break when it comes.

Have a Lovely weekend

Mrs Grogan
