

Dear Parents/Carers,

It has been another very busy week in school and the children have all settled quickly back into the school routine.

Our P3 Sacrament of Reconciliation Parent information session was held this week, which I am delighted to say was very well attended, despite the weather.

The Leadership Groups met this week and have been excitedly planning ways of improving our school. The Junior Management Team suggested in their last meeting that they would like to have more clubs within the school. As a result, Primary 6 will run some lunchtime clubs this term, which I am sure you will agree is a fantastic leadership opportunity for them. They have been extremely busy this week, filling in their application forms and I am really looking forward to finding out what they plan to offer. More information will follow in the next few weeks.

Our Primary 7 after school football club started today, much to the delight of many of our P7 children. We are fortunate to now have a few parent volunteers working with Active Schools to provide after school clubs and I would like to thank all of the volunteers for giving up their time to ensure our children have these opportunities.

Our Primary 7 children will celebrate the Sacrament of Confirmation on Thursday evening at 7pm in St Andrew's Church and the children will go down to the church on Monday and Tuesday for final preparations. We would ask that you remember our P7 children in your prayers this week.

P4(1) assembly will be next Friday at 2.15pm and we look forward to welcoming our parents and families along for this.

I hope you have a lovely weekend.

Kind Regards  
Angela Murray
