

Dear Parents and Carers,

This week the Senior Leadership Team have been meeting with all staff to discuss the planned learning and assessments for this term. These meetings are valuable as it allows us to identify any supports that may be required for groups or individuals. It also highlights those learners that may require further challenge. This year Mrs McNair and Mrs Wright are providing this support across the school in Literacy and Numeracy.

Over the last few weeks Primary 4 have been working with Graeme at Beat Buddies, learning about music, rhythm and performing. These sessions are full of fun and we hope that we will be able to put on a small performance before the end of this term. Next week, our P7 learners will be visited by Inspector Todd from Police Scotland who will talk to the learners about online safety and appropriate online behaviours.

It has been brought to our attention that parents and children are not always using the crossing patrol or the pedestrian lights when crossing Duntocher Road. We want to ensure the safety of everyone and would ask that all people use these safe crossing points at all times.
