

St. Nicholas' Primary School would like to send a huge thanks to Dickie and Moore Construction for our personalised hi-vis vests. The children are already loving getting into character in our role play construction area and definitely look the part! In our infant department we use a Learning Through Play approach and the children have the opportunity to build upon their learning outdoors. The hi-vis vests will mean that the children are easily identifiable in our outdoor area ensuring their safety at all times. Once again we would like to say a massive thank you to Dickie and Moore for their kind donation.
