

Dear Parent and Carers,

We have had lots of fun celebrating World Book Day this week, a special thank you to Mrs McNair, the Pupil Leadership Group and the House Captains for all their work. We will post some more pictures on SEESAW under our Reading School Section.

Next week is STEM week and Mrs Murray has provided all classes with a variety of ideas and activities that will develop skills in science, technology, engineering and mathematics. Thank you to our parents who have volunteered to come and speak to our children over the next few weeks, we really enjoy hearing about how you use STEM skills in your life and work.

Over the next few weeks our P3 children will make their First Reconciliation in St Andrew's and St Joseph's Parish. Thank you to Mrs Darley, Father Currie and Father Mackle for their guidance in preparing the children for this special Sacrament. Please keep all our children and their families in our prayers as they continue their Journey of Faith.

Just a reminder that our online booking system for Parents Evening will open at 7pm on Monday 11th of March.

Thank you for your continued support, have a lovely weekend

Charlotte Grogan
