

Dear Parents and Carers,

It has been another busy week here in St Nicholas' Primary. Our children have had the opportunity to develop their skills and knowledge in STEM through online assemblies, live feeds and fantastic visitors. We have a few more visitors next week and we just want to thank everyone who has given up their time to support us. Just a reminder that a STEM homework task has been set for all learners and is due next week. All details were sent by email and on SEESAW.

Congratulations to our P3 children who received the Sacrament of Reconciliation in the Parishes this week. Please keep them in your prayers as they continue on their spiritual journey.

A number of policies have been updated and agreed by our staff and Parent Council. Copies of our policies can be found on our website. Updated policies include *Arrival and Collection Procedures for Children*, *Rights Respecting School Policy* and *Home Learning Policy*.

As part of our Lenten Journey our Junior Management Team are organising a fundraising event for SCIAF. They are organising a PJ and movie afternoon on Thursday 28th of March. Children are encouraged to come to schools in the PJs and each class will have a movie in the afternoon. Classes will pick their own movies and class teachers will notify parents if the movie is PG rated. Children are asked, if they can, to bring a small monetary donation on this day. The JMT hope this will be a fun way to end the term and at the same time support the good work of SCIAF during Lent.

Thank you for your continued support, have a lovely weekend

Charlotte Grogan

Dates for your diary
