

Dear Parents and Carers,

Thank you for your support regarding the vehicle access to our school. This arrangement is now in place on a permanent basis and we would respectfully ask that all vehicle users continue to adhere to this arrangement. Just a reminder, this means that there will be no vehicle access from Duntocher Rd into our school, including the staff carpark, between **8.45am -9.15am and 2.45pm – 3.15pm**. Those who require to use the accessible bays will need to enter before these times and remain stationary in the bay until the road is open again.

We have had a good response to our Pupil Equity Funding survey. This will remain open until Friday 3rd of May. If you have any questions or require more information, please feel free to contact me. The link is included below.

This term, we start the transition of our P7s to their local high schools and get to know our new P1 children and parents, who will be starting with us in August. As we transition to a variety of Secondary Schools, information about events will be sent to the P7 parent body separately. Our new P1 children had their first stay and play session this week and it was lovely to see such eager and happy faces. As a community of Faith and Learning, can I ask that we keep all our children and their families who are starting a new exciting educational journey in our prayers.

Have a lovely weekend

Charlotte Grogan
