Opening of Meeting

MG opened the meeting and handed round a prayer aiming to help council members going forward with all decision making on behalf of the St Nicholas community.

Election of Office Bearers

Chairperson RM* was present to hand over the role after a successful seven year post. Janine Peck (JP) was nominated, seconded and has been elected as the new Chairperson of St. Nicholas Primary Parent Council.

JP then handed over her previous post for election of a new Vice Chair, two candidates volunteered – AM & NH therefore an anonymous vote of members was taken and AM was elected to Vice Chair.

The volunteer representatives for each class were accepted by the members as outlined above.

Agenda

Being the AGM there was no set agenda other than the election of Office bearers, newly appointed HT MG gave a brief overview on ideas for communication within the school community, asked for consideration on best ways of gaining valuable feedback and the Parent Council as a whole agreed that for the upcoming year we should return to meeting in person rather than online.

DM highlighted that we should aim to improve efficiency and effectiveness this coming year by getting any agenda items with associated reading material to members as early as possible and get our minutes submitted promptly following each meeting.

Closure

New Chairperson JP thanked everyone for attending and will update on future meeting dates when available.
