Dear Parent and Carers,

I would like to extend a warm welcome back to school after our Christmas break. As we are experiencing freezing conditions, I would ask that all children come to school with suitable, warm jackets. When the underfoot conditions improve, we will endeavour to get the children back out in to the playground.

It has been a lovely experience hearing the children speak so fondly about their holidays and gifts that they received. I would politely request that Christmas gifts remain at home because in school accidents happen and items can be broken or go missing.

In addition to this, I would like to place a gentle reminder that school uniform should be worn at all times. On gym days, children can come to school in their PE kit, however, this should consist of a St. Nicholas school sweater.

For any families requiring items of pre-loved school uniform, please contact the school office.

If you have any questions about ongoing events, please contact the school office on 0141 955 2222 or office@st-nicholas.e-dunbarton.sch.uk.

Kind regards,

Martyn Glancy

Head Teacher

SFA Football Sessions

We have been able to secure a 10 week block of SFA football sessions for children from Primary 1 – Primary 4. These sessions will take place throughout the school day and will take place on the pitch so children should bring appropriate clothing to school.

In addition to this, our Primary 5 children will participate in an after-school football club (3pm-4pm). Again, children should bring appropriate clothing for playing outside on the pitch. I would politely request that children wear only international football tops to the after-school session.

The sessions will begin on Tuesday 21st January and run until Tuesday 1st April.

Primary 4 – Beat Buddies

Our Primary 4 pupils will participate in their Beat Buddies sessions this term. Sessions are delivered by Graeme Barclay. This involves exploring rhythm through musical instruments delivered through the context of modern music.

Attendance

Research shows that attendance at school is essential to ensuring children achieve their potential. Attendance below 90% can have a detrimental impact on pupil progress. Over the coming weeks, the school will be reviewing attendance and looking to support families where this is identified as being low. Our aim is to work with families, where this is the case, to improve attendance.

Our vision – to inspire a community of Faith and Learning built on our Gospel values to enable everyone to reach their God-given potential.
